TERMS OF SERVICE

Rules & Agreements.

Please carefully review the following rules and agreements before signing in to Paxychain.

Eligibility

By accessing Paxychain, you confirm that you are at least 18 years old and eligible to participate in our investment program, acknowledging that you meet the necessary requirements.

Privacy and Confidentiality

1. All information and communications exchanged between you and Paxychain will be kept strictly private and confidential.
2. We will not disclose any sensitive information to

third parties, ensuring the security and integrity of your personal data.

Investment Risks

There are inherent risks associated with every business venture. However, Paxychain strives to protect your investment from market volatility while providing daily returns, utilizing our expertise to mitigate potential risks.

Regulatory Compliance

Paxy Chain operates in accordance with applicable laws and regulations, exempt from certain US securities laws, ensuring that our investment program is conducted in a fair and transparent manner.

Liability and Responsibility

1. Paxychain is not responsible for any loss of data or damages resulting from technical issues or other

unforeseen circumstances.
2. You agree to hold Paxychain harmless from any liability arising from your participation in our investment program.

Rules and Changes

1. We reserve the right to change the rules, commissions, and rates at any time, without prior notice, to ensure the continued success and stability of our investment program.
2. You are responsible for reviewing the current terms and conditions, as they may be updated periodically.

Prohibited Activities

1. No SPAM or unsolicited commercial emails are allowed, as they may be considered harassment or spam.
2. No posting negative reviews without contacting the administrator first, to ensure that any issues are resolved promptly and fairly.

OUR COMMITMENT

Paxy Chain is committed to building successful client relationships and providing quality investment services for excellent value. We are future focused and continually reviewing our technology and the way we do things, always striving for better. This is a significant advantage as it means we are continually finding ways to make our services more cost-effective and accessible for you.
